PENDULUM DOWSING & EARTH ACUPUNCTURE

2-Day Training with Karen Rice King, Master Dowser

Learn to dowse and "cure" your home & property to enhance your health, relationships, prosperity and contribution to your community!

DATE: Saturday & Sunday, May 7-8, 2016

TIME: Saturday, 10 a.m. - 5:00 p.m. / Sunday, 10 a.m. - 3 p.m.

HOSTESS: Beth Terrell at her home in Urbandale, Iowa. For directions and dietary restrictions, contact Alisha, Office Manager at Iowa Acupuncture Clinic, 515-331-8948.

CONTENT: You will learn how to dowse the property for geopathic and Hartmann stress lines, and then install copper rods in order to reduce stressful energy fields. Karen will answer questions on how to set up rods on your property. Clients who have had their homes dowsed and cured by Karen say that their space feels "lighter and cleaner." They report they sleep better and experience more harmony and wellness of spirit, health, and finances. If you successfully dowse during both days of this workshop, you may be considered for Karen's **Dowsing Apprenticeship Program**, where she pays you for your work on other properties.

YOU'LL TAKE HOME: Pair of dowsing L-rods; compass and ruler; pendulum and chart; training manual and dowsing bibliography; the book *In the Mind of a Master*, by Susan Anderson with Slim Spurling; bundle of L-rods to "cure" your home; Egyptian cut rods; and Karen's article on the History of Dowsing (take-home package valued at \$225).

COST: \$450 per person, or \$75 off for 2 people attending together and sharing the bundle of rods in the kit. Payment by check, credit card with a small fee, or postal money orders. Cost includes 2 days of lunches, snacks and beverages, plus a take-home package of items listed above.

RSVP: Pre-registration required by April 7 and you will be given the location of the workshop. Call 303-665-0175 or email Karen@KarenRiceKing.com. She will answer all questions regarding the workshop. For more information, visit KarenRiceKing.com.
